### PARTY MENU

The Gyotaku Party Menu is highly recommended for parties of 20 or more in order to ensure smooth service. Unfortunately, we cannot guarantee all guests on large parties will be served quickly and their entrees arrive at the same time if they order off the menu. The Party Menu offers a beverage, some of our most popular items, dessert and each guest has the option to choose one bento entree of their choice.

All reservations, wishing to have exclusive use of a party room must guarantee seating for at least 80% of the room capacity and order from the Party Bento Menu in order to secure their reservation for private use of the room..

Persons hosting a party may offer their guests the choice of one bento entree' to accompany the other items on that menu. All selections must be submitted at least 3 days in advance and confirmed with the reception staff. Keiki Menu Items, Appetizers, Beverages & Desserts may be ordered in addition to the Party Menu Bentos.
